

# Blue and Green and Purple Too!

The Story of God's Colorful World

PATRICIA L. NEDERVELD

# Blue and Green and Purple Too!

This is a story from God's book, the Bible.

*Genesis 1:1-19*

Red, blue, yellow, green! Don't you love colors? God must love colors too—that's why God made them!

Can you point to your favorite color?

A very long time ago there were no colors—anywhere. It was dark—very dark!

Into the middle of all that darkness came a voice. "Let there be light!" God said. And there it was—bright and beautiful. And very good!

In the middle of all that brightness came God's voice again. "Let there be sky!" And there it was—blue and beautiful. And very good!

What new colors do you see? Yes, God made them too. The water and land God made were wonderful. And very good!

God's world was ready for still more color—red, yellow, orange, green, and purple too. "Let there be grass and trees, fruit and flowers!" said God. God's world filled up with color. It was very good!

Then God made the sun to light up the day and the moon and stars to light up the night. And they were very good too!

I wonder what parts of God's colorful world you love to look at . . .
